

The IRPAS Networking Series:

“Southeast Asia IR Best Practices: How Does Your IR Programme Compare”

Dear members and friends of the IRPAS,

Please join us for the next IRPAS networking night specially organised for you:

Date/Day: 17th October 2013 / Thursday

Venue: Bloomberg Auditorium, 12/F, Capital Square, 23 Church Street,
Singapore 049481

Mr Herston Elton Powers, Head of DR Market Solutions Asia Pacific (BNY Mellon), will present BNY Mellon's report on Southeast Asian Investor Relations (IR) practices, based on a global survey analysis of Investor Relations Officers (IROs). He will highlight the IR practices among IROs in Southeast Asia across all sectors and market capitalisations, and compare the results to firms in other regions. As the global competition for capital intensifies, this session aims to provide insights for companies looking for a competitive advantage.

We cordially invite you to join us for an evening of learning and networking. This event is also a good opportunity to exchange notes on IR practices and how best to add greater value to management decisions.

This event is open to all IRPAS members and friends only. Please RSVP at info@irpas.com and we will send you a confirmation email shortly.
