Mezzanine Floor, 168 Robinson Road, #52-01 Capital Tower, Singapore

Dear IRPAS members,

As we move towards the Q2 reporting season, IRPAS brings you an evening session on strategic investor relations in Asia, in partnership with Orient Capital. This session will cover the changing face of investor relations by looking at the growth of the role in the region and the changing expectations of IROs.

Vivek Aranha, CEO, Asia at Orient Capital will share his thoughts on:

1. Growth of Investor Relations in Asia
2. Role of Investor Relations in Asia – Strategic vs. Functional
3. Increasing the Value / Recognition of the Investor Relations Officer

Vivek joined Orient Capital in 2003 and has worked in the investor relations industry for over 17 years in the US, Australia and Asia. Prior to joining Orient Capital, he worked at Computershare Analytics in Sydney and Thomson Reuters in New York / San Francisco.

With best regards,
IRPAS
