

How MiFID has Shaken the Equities World. What are the Solutions?

30 August 2018, FTSE, 168 Robinson Road, Level 9, Capital Tower

SEMINAR OVERVIEW

This seminar will discuss the effect of MiFID II after almost a year of implementation: fewer brokers conferences, lower level of meetings, broker consolidation..... What is going on? How can you navigate through this?

Our panelists will share with us their experiences and observations.... and how some of the challenges can be overcome.

The following issues will be discussed:

1. A year on....how has MiFID II affected business for stakeholders (corporates, analysts, brokers, buy-side)
2. What do the analysts expect the market to transform going forward
3. What are the challenges corporates will or are already encountering and what is the impact on their relevance going forward
4. What solutions are available for corporates to ensure they remain relevant in the midst of this structural change.

This event is complimentary for IRPAS members and only S\$30 for non-members, inclusive of coffee break and networking drinks. Register early to secure your place!
