

WEBINAR: ESG Reporting Frameworks - New Tools for Investor Relations

About this Webinar

This IRPAS webinar will focus on the latest developments in the fast-changing world of ESG reporting for investors. With global investor attention coalescing around SASB and the TCFD, we will hear the different perspectives of an institutional investor and an ESG standard-setter (SASB). Following a briefing on frameworks in general and SASB specifically and the rapid adoption of its standards by companies and investors, the discussion will explore topics such as:

- How investors are integrating ESG data into their investment decisions and stewardship
- Ways that corporate reporting is evolving to meet the needs of more data-driven investment processes
- Incorporating ESG factors into strategy and risk management
- Reconciling Singaporean reporting requirements with global investor expectations
- Relationship of SASB Standards to other frameworks, including GRI & SDGs

Date: Wednesday, 28th April 2021

Time: 9.00am to 10.30am (Singapore Time) (GMT +8)

Fee:

- Complimentary for IRPAS members
- S\$20 for REITAS members and HKIRA members
- S\$40 for non-members
